To: The Director of IIS

Subject: Hamas Movement

We like to inform you the following:

We have been contacted to us lately by the preventatives of the Hamas Movement in Baghdad who inform us gladly the following points:

The leadership of the movement in Damascus called us a number of times to renewing their continues commitment since the American foolish attack to Iraq to show us their support. The movement is willing to fully support our nation with every possible way the can in order to defeat the cruel enemy attack.

- a. We have been contacted by Dr. Abid Al-'Aziz Al-Rantisy senior member of movement during past few days to ensure his and Palestinian support against the barbaric American enemy .Dr. Al-Rantisy requested us to open the check points at the boarder to let the volunteers fighters to participate the war. He also indicated that they will carry the demonstrations , suicide attacks to support Iraq
- b. We have been informed by the Al-Rantisy that his family left the country while he and another group mostly student in Iraq will stay to worked with us based on to our requirement.
- c. We stressed enough to him that we are pleased to their stand in the situation as we always expected from the movement. We also inform him how helpful it will be if we heard any operations against American Israeli interest in the occupied land.

Page 23

- a. The possible attack time of Allied American - British attack on Baghdad is on 20030327 with the possibility of enemy troops coming from the south. The Americans clearly gave warning to Iraqis to never use any chemical weapons against allied forces.
- b. The advancing American forces toward Baghdad are away from the city about 80 KM. The advancing forces are coming from three directions to attack Baghdad. The three directions are north, south and west. Please note that there is presence of American Special Forces in the north of Iraq.

Top Secret (Iraq Classification)

To the head of AL-Rasafah sector - Sa'ad sector.

We have been informed by the attaché officer of Sa'ad sector at 23:40 on 20030326 The sector has been bombarded with two rockets hits by one enemy airplane to very populated area and caused the following damages.

- a. Killed twenty martyrs .
- b. Wounded fifty.
- c. Destroyed twenty cars.

For your information and appreciation.

Security officer of the sector.

Page 31,32 and 33

Regarding the dead bodies

We completed to move out some of the dead bodies and we will complete the rest. We like to study the best way to hand over American and British dead bodies to the International Red Cross with the presence of their relatives. There are also some burned bodies around.

Discussion about the TV program that will interview one of the American pilot who was shot down by our forces to inform the International Community how Iraqis are

The classification markings are original to the Iraqi documents and do not reflect current U.S. classification.  
defending their countries as well as showing American British dead bodies in the  
fighting field.
