**CIA Historical Review Program Files.**

Consists of documents, or portions of documents, which have been reviewed and declassified under the CIA Historical Review Program (HRP) as authorized by Headquarters Regulation 70-14 and Executive Order 12958. Grouped by topical collection, records may be maintained in more than one order to facilitate the review process. Records are initially selected to be reviewed for the CIA HRP and copies of pertinent documents are made. The original records are returned to the originating component. The product of the review is a collection of declassified or redacted documents which are accessioned to NARA under a Memorandum of Understanding between NARA and CIA dated June 1989.

A copy of the records accessioned to NARA is scanned into an electronic computer system.

**TEMPORARY.** Retain the electronic copy for 25 years, then delete. Destroy hardcopy upon verification that the records were successfully entered into the system.
